**Program**  
 Lion Randy Woodley introduced guest Randy Gilbert as our speaker. Randy was born 7 months premature with a condition that took his sight due to glaucoma at 6 months of age. He has cerebral palsy, but has attended many schools and has quite an education and background. Randy demonstrated a brail typewriter, calculator and dictionary with voice capabilities. He also demonstrated a machine to scan and read denominations on paper currency. Remarkable machinery! Randy challenged Lions Clubs to look to fund these tools for blind individuals. He has had many jobs (working on pulling tacks out of furniture, stuff envelopes). Great inspiration and when asked about what invention he'd like to see, he said he wants to drive!!
