Mentoring –

- Lion Randy has been a mentor.
- Over 1100 students waiting for mentors, last January was 900. Always a shortage of male mentors. 30 minutes a week, once a week on a school campus.
- Why in the program...not getting help at home, No father figure, Divorce/Death, Relocation, Military Deployment and many other reasons.
- Not a lot of sharing times for kids, low self-esteem.
- Club provided with times and locations for training sessions. One hour review, packet and agree to online background check.
- Kids at middle school are looking to find themselves. Tough to balance mentors with their friends.
